I approve and adopt this Redesignation Request and Maintenance Plan for submittal to the U.S. Environmental Protection Agency (EPA) as a revision to Allegheny County's Portion of the Pennsylvania SIP for the Attainment and Maintenance of the PM_{2.5} NAAQS.

To the best of my knowledge, information, and belief, I certify via my signature as contained below, that the Redesignation Request and Maintenance Plan has been developed in accordance with Clean Air Act requirements and EPA guidance.
