

COUNTY OF

ALLEGHENY

August 4, 2022

Mr. Mark Hammond, Director
Department of Environmental Protection
Bureau of Air Quality
Rachel Carson Building
400 Market Street, P.O. Box 8468
Harrisburg, PA 17105-8468

Dear Mr. Hammond:

The Allegheny County Health Department hereby submits, using the State Planning Electronic Collaboration System (SPeCS) State Implementation Plan (SIP) submission system, a requested revision to Allegheny County's portion of the Pennsylvania State Implementation Plan for the Attainment and Maintenance of the Ozone National Ambient Air Quality Standards. This SIP revision request consists of revisions to Sections 2105.13, "Gasoline Loading Facilities," and 2105.14, "Gasoline Dispensing Facilities – Stage II Control," of Article XXI, Air Pollution Control Rules and Regulations, and County Ordinance 16782.

This SIP Revision, being tracked by our internal Revision Tracking Number 91, was the subject of a public comment period from August 27, 2021, through 4:00 PM September 27, 2021, with a public hearing held on September 27, 2021. The Board of Health approved it on November 3, 2021. County Council enacted it on July 5, 2022, it was signed by the Allegheny County Chief Executive on July 12, 2022, and it became effective July 22, 2022.

ACHD followed all the applicable procedural requirements of the Commonwealth's laws and constitution in conducting and completing the adoption/issuance of the SIP revision. ACHD also publishes the proposed SIP Revision on its website <https://alleghenycounty.us/Health-Department/Programs/Air-Quality/Regulations-and-SIPs.aspx> in accordance with PA State Act 27 of 2012. As required by federal SIP-processing regulations, enclosed certifications demonstrate that the required public notices were provided and that a public hearing was held.
