

ARRA Quarterly Reporting form

General Information

Homelessness Prevention & Rapid Re-Housing Program (HPRP)- This grant is to be used to assistance homeless or near homeless people by providing various services. The services provided to clients includes housing counseling, housing/ utility expense assistance, financial counseling, case management and homelessness assistance. The goal of this program is to prevent people from becoming homeless and assist those who are currently. This program is to ensure participants needs are being met and assisted properly, ultimately ending HPRP dependence.
