How to Book A Tee Time Online

1. Go to www.chronogolf.com & log into your account
   a. Booking may also be available from the golf course's website

2. Use the booking calendar on the right hand side of the clubs profile to begin the booking process

3. Select the date you would like to play

4. Next select the type of round you would like to play (9 holes, 18 holes, etc.) and click continue

5. Select how many golfers will be in your reservation

6. Select the player type & click continue. If you do not know your player type leave as Public & it can be adjusted during check-in if needed

7. Select your desired tee time, click continue

8. Invite any guests is desired (this will send a confirmation to email your playing partners)

9. Agree to the Terms & Conditions and Confirm Reservation

10. You will receive an email confirming your reservation
