RFP for Be Strong Parent Cafés

**September 21, 2017**

**1. The RFP requires a team of 6-8 professionals/parents to attend a two-day training on either Nov. 15-16 or Nov. 20-21. Will the training be held locally?**

Yes, the training will be held locally. The dates have been finalized for November 20-21.

**2. What are the anticipated start/end times of training days?**

The training is expected to be from 8 a.m. to 4 p.m.

**3. Parents who join the leadership team as volunteers may need to request these training days off work—which may present a financial hardship. Are there funds available (or would we be able to budget any form of compensation) for team members in these circumstances (i.e., per diem)?**

LAUNCH will pay participating parents \$100 per day for the training.
