## **Kudos: Jaime Greenberg**

The Director's Action Line (DAL) received a phone call acknowledging Jaime Greenberg, caseworker 2, for her hard work to complete the adoption of a sibling group. The caller stated that the adoption case had been open for two years and had even gone to the PA Supreme Court. Despite the challenges, the adoption was finalized in August. The caller said, "this would not have happened without the efforts and hard work of caseworker Jaime Greenberg," and ended the call by expressing her tremendous gratitude for Jaime's dedication to the case.
