Kudos: Aurelia Carter and Maisha Howze

Two staff members from the Office of Behavioral Health (OBH) – Aurelia Carter, family support supervisor, and Maisha Howze, drug and alcohol services administrator – were selected as 2019 Pittsburgh Courier Women of Excellence.

In the December 11-17 edition of the Pittsburgh Courier, editor and publisher Rod Doss stated, "The 'Class of 2019' members are resplendent in deed and unselfish in valor, commitment and dedicated purpose. Their individual acts have lifted this city and its people to new heights... Each woman is a living example of how hard work, integrity and determination leads to success. We hope they inspire others to pursue excellence in their field of endeavor."

Aurelia and Maisha were recognized at a luncheon held on December 12.
