## **Kudos: Erika Bowen**

Erika Bowen, CYF transportation, received an appreciative email from a youth. The youth writes, "I don't know if you remember us, but you were our favorite driver that drove us to camp often." The email explains that the youth was able to move out of their foster home to a new forever home. The email concludes by saying, "I just wanted to thank you for always being kind to us [because] we really needed a nice person like you in our lives."
