## **Kudos: Kerry Andros**

A colleague sent an email recognizing Kerry Andros, a nurse in the Area Agency on Aging (AAA), for her quick action to help someone in need.

The author explains that on March 7, Kerry was on her way to work when she noticed that a young man had fallen into the street and was nearly hit by a car. When Kerry discovered that he had experienced a seizure, she stopped traffic and went to the young man's aid, calling 911, protecting him from traffic, and sitting with him until the ambulance arrived.

The author commends Kerry for her heroism.
