Kudos: Mike Gruber

Mike Gruber, system transformation coordinator and Stand Together project director in the DHS Office of Behavioral Health (OBH), was selected as the 2019 Albert B. Craig, Jr. Award winner. This award, given by the Staunton Farms Foundation, recognizes “people who have challenged society to think in fresh ways about problems and solutions in mental health, to forge new paths, whether through uncommon partnerships or new ways of serving people with mental illnesses, or who have invented a product or process that has alleviated mental illness.”

In a nomination letter, Danyelle Borish, Mike’s colleague, wrote: “Mike consistently shows his devotion to behavioral health in all of his work. He has designed creative solutions to end stigma and encourage individuals in their journeys of recovery and wellness. I am proud to support his nomination for this award.”

Mike received the award on Thursday, June 20, at the Duquesne Club.
