

A Home that Feels like Family

Dom Care, a voluntary program of the Allegheny County Department of Human Services, matches people who are unable to live independently with families that are willing to open their homes to provide care and support.

Dom Care Home Providers:

- Assist with personal care and activities of daily living
- Offer a safe & nurturing environment
- Provide nutritious meals
- Supervise medication
- Offer companionship and support
- Provide daily supervision
- Care for no more than three Dom Care residents in their home
- Meet Provider Certification Requirements

Benefits

- Receive a monthly payment for their service
- Provide an important service from home
- Positively affect someone's life
- Receive support from Care Managers
- Receive companionship

A Home that Feels like Family

Home has a special, unique meaning for everyone. For adults who are not able to live independently, Dom Care helps them find a family home where they can live a full and happy life.

Dom Care Residents:

- Are 18 years of age or older
- Have difficulty with activities of daily living
- Must be mobile or semi-mobile
- Are unable to live independently
- Wish to live with a family
- Choose a home that best meets their special needs, preferences

Benefits

- Receive around-the-clock care
- Feel the security of having another adult around
- Are eligible for a financial supplement if on a limited income
- Are offered introductory visits to the home
- Receive ongoing Care Manager visits
- Receive Care Manager assistance if relocation is needed
- Have companionship in a warm and caring home
