

THE STATE OF
20 Human Services 23
IN ALLEGHENY COUNTY

You are cordially invited to participate in the State of Human Services 2023 virtual presentation.

Erin Dalton, Director of the Department of Human Services for Allegheny County, will present the department's current priorities and the strategies underway to address them. A live Q&A session will follow. | Topics include:

Increasing access to human services to ensure that people are getting the right help when they need it.

Increasing investment in prevention strategies to help families avoid coercive systems such as child welfare, juvenile justice and criminal justice.

Increasing investments in strategies that promote economic security.

Supporting Allegheny County residents in times of crisis.

This virtual presentation is being offered at two different times via Zoom. The content for both presentations is the same.

Thursday, April 13, 2023 from 2-3pm on Zoom
