

Family Forum with PA Family Network

Zoom meeting series led by Francine Hogan

Join other families and individuals with disabilities through June to discuss the current impact of the Coronavirus in our lives. This is an opportunity to share questions and concerns, as well as get the latest updates.

At participant's request, specific questions and concerns can be shared with the Office of Developmental Programs (ODP) in an effort to meet the needs of our community. Guest speakers may be invited in response to concerns aired in previous sessions.

Every week on Wednesday, until JUNE 24, 2020

Francine Hogan is inviting you to a scheduled Zoom meeting.
