DHS Director’s Action Line
Statement of Purpose

The Allegheny County Department of Human Services (DHS) provides and administers publicly funded human services to county residents.

The DHS Director’s Action Line (DAL) provides Allegheny County residents served by DHS — as well as other interested parties — quick and easy access to knowledgeable specialists who answer questions and resolve concerns and complaints regarding services provided through DHS.

The DAL provides

- a friendly, trained professional to discuss the details of your specific concern or question with you.
- clarity, between you and the professionals involved, of all relevant details, issues and positions.
- help in understanding general DHS policies and procedures—including DHS individual and family plans and court orders through Children’s Court.
- practical options to address your difficulties—including information about and referrals to DHS and community-based resources.
- support in addressing problems with DHS-issued payments.

The DAL specialist

- listens carefully to your concerns.
- works with DHS staff and others to address your concerns or complaints immediately or within three working days, depending on the situation.
- initiates a review of decisions made by DHS or DHS-contracted agencies regarding services, when appropriate.
- calls you back to make sure your concerns are being addressed.
- makes a record of all concerns and complaints so they may be used to inform DHS policies and procedures.
