## **Voters Encouraged to Return Mail-In, Absentee Ballots Quickly** *Elections Staffing Counter in County Office Building Lobby May 30-June 2 for Drop-Off*

**PITTSBURGH** – Today, May 26, is the deadline for voters to apply for a mail-in or absentee ballot for the June 2, 2020 presidential primary election. As of 3 PM today, the Elections Division had received 277,185 mail-in and absentee ballot applications. This number includes both online and mail applications. To date, 86,715 ballots have been returned. With 775,201 registered, eligible voters, this reflects a 36% turnout based on application requests alone.

Individuals voting by mail-in or absentee ballot are encouraged to vote and return their ballot as soon as they have it to ensure it is received back in the Elections Division no later than 8 PM on Election Day, June 2, 2020. Voted ballots may **not** be taken to polling places on Election Day.

In order to accommodate voters who are concerned with whether their ballot will be received in time, the Elections Division will have employees staffing a counter in the lobby of the County Office Building (542 Forbes Avenue) for four days. The service in the lobby will be available on the following dates and hours:

- Saturday, May 30 from 10 AM to 5 PM
- Sunday, May 31 from 10 AM to 5 PM
- Monday, June 1 from 5 PM to 8 PM
- Tuesday, June 2 from 7 AM to 8 PM

Voters may only drop off their own ballot. Multiple ballots will not be accepted. Voters may also submit their ballot directly to the Elections Division on the 6<sup>th</sup> floor during regular business hours (8:30 AM to 5 PM) the remainder of this week and on Monday, June 1.

If a person who has applied for a mail-in or absentee ballot does not receive the ballot or is concerned that it cannot be returned to Elections by the deadline may go to their polling place to vote. The poll book will show workers that a mail-in or absentee ballot was applied for and the voter will be asked to vote by provisional ballot. The voted provisional ballot will be returned to the poll workers in a security envelope which will then be opened and reviewed as part of the Return Board process. If the voter's mail-in or absentee ballot is received by the deadline, the provisional ballot would be voided and not counted. If the mail-in or absentee ballot is not received or is not received timely, the provisional ballot will be counted.

Voters intending to vote in-person on Tuesday, June 2, 2020 are reminded that there are several changes and that the process, itself, will be slightly different due to measures in place to mitigate potential exposure to the COVID-19 pandemic.

- Polling places have been consolidated. With the exception of the City of Pittsburgh, all municipalities have one location for Election Day. A full list of those locations is contained at the bottom of this release and is also available online. Eligible, registered voters should also have received a postcard in the mail with the information on the new polling location. Additionally, notices will be posted at the old polling locations on Election Day to redirect voters to the new locations.

- Within the June 2 polling locations may be multiple sign-in tables or rooms to effect social distancing. Voters do not need to know their ward or district as poll books will be organized alphabetically to make the process easier. Locations will have poll workers to assist in directing voters to the appropriate tables or rooms.
- Poll workers will be asking voters to adhere to physical distancing guidelines by remaining six feet apart from other voters in line. Tape will be placed on the floors to reflect those distances.
- Voters are asked to wear face coverings and to keep them in place, covering their nose and mouth, while in the polling place. If someone comes to the polling place without one, they will be offered a mask.
- If voters have concerns about using pens that are also being used by other voters, they should consider bringing their own pen to the polling place. Blue ink pens are preferred, but other color inks will be read by the scanners. Polling places will also have pens available for voters.
- Be patient.

Before going to the polling place, residents should verify their registration and their polling place online. As Pennsylvania is a closed primary state, only voters registered as Democrats or Republicans may vote on June 2, 2020. Voters can also view a sample ballot online. The Elections webpage ([www.alleghenycounty.us/elections](http://www.alleghenycounty.us/elections)) also contains frequently asked questions and other information for voters.
