Fitzgerald Statement on State’s School, Childcare Masking Requirement

PITTSBURGH – County Executive Rich Fitzgerald provided this statement following the Commonwealth’s announcement that it will implement a masking requirement for K-12 schools and childcare facilities beginning on September 7, 2021:

“The state has continued to be proactive in adjusting to the numbers and taking action based on what’s happening in the Commonwealth. With these numbers going up, it’s imperative that we keep our children in school and childcare centers open so that our residents can continue to work and keep our economy going.

“We appreciate the Governor’s leadership on this important health initiative.”
