Fitzgerald Statement on Vote for Churchill Creek Project

PITTSBURGH – County Executive Rich Fitzgerald provided this statement following the vote by Churchill Borough Council on the conditional use application for the Churchill Creek Project, LLC:

“Thank you to the Churchill Borough Council for all of its work on this important issue. This is going to be a substantial development, not just for Churchill, but also for the residents in all of our eastern suburbs. It’s particularly exciting for these communities that haven’t seen as much growth as other areas of our county.

“This site has sat vacant for two decades but is now being brought back with potentially thousands of jobs, particularly for Woodland Hills students, allowing residents throughout those communities the benefit of economic growth.”
