

Dental Services for Children

Pediatric Dental Program

301 39th Street, Bldg. 7
Pittsburgh PA 15201

412-578-8378

alleghenycounty.us/dental

The Allegheny County Health Department Dental Program is available free of charge to all Allegheny County children 1 through 20 years of age who cannot afford private care. Medical Assistance is accepted.

A Dental Hygienist provides:

- Cleaning of teeth
- Screening evaluations
- Flouride treatments
- X-rays
- Oral hygiene instruction

A Dentist is available for:

- Examinations
- Fillings
- Sealants
- Extractions
- Space Maintainers

Appointments are made every six months for follow-up services to ensure Good Dental Health.

Appointments can be made by calling any one of the following locations:

Mt. Oliver

Mt. Oliver Family Health Center
