PART 1: DESCRIPTION OF INSPECTION(S)

On 5/25/2022, the Allegheny County Health Department (ACHD) received a complaint that a high opacity visual emission was coming from North Central Processing's baghouse. The North Central Processing representative informed the ACHD that they had a hole in their bag on 5/25/2022 and had had an additional issue with holes in the baghouse filters two weeks prior. A breakdown report was not called into ACHD within 24 hours of either breakdown. Upon contacting North Central Processing and explaining the Article XXI breakdown reporting requirements, the facility submitted the appropriate follow up breakdown reports.

Did the individual/company cooperate with ACHD personnel? If not, explain:	Yes
