RE: Harsco Natrona Facility, Federal St. Gate #10, Natrona, PA, 15065, – Article XXI,
§2105.49 Fugitive Emissions and §2101.11 Prohibition of Air Pollution.

Dear Ms. Calderazzo and Mr. Hundertmark:

The Allegheny County Health Department issued an Administrative Order for Compliance dated May 29, 2018 to Harsco Metals (“Harsco”) and ATI Flat Rolled Products Holdings, LLC (“ATI”). The Order required that Harsco and ATI submit to the Department by June 30, 2018, a revised compliance plan which will eliminate all fallout particulate.

The revised compliance plan submitted on behalf of Harsco and ATI, dated June 29, 2018, was reviewed by Department representatives and is deemed approved. Within twenty (20) days of receipt of this letter, Harsco shall implement the compliance plan. The Department will consider the plan implemented when the spray header system is installed on all pits and water from the system is being used on the pits to control dust. Harsco shall notify the Department when the compliance plan has been implemented.

Sincerely,

A handwritten signature in blue ink, appearing to read 'W.J. Rausch, Jr.', written over a horizontal line.

William J. Rausch, Jr.
