Describe your objections to the Department's actions and a statement describing the relief you want the Hearing Officer to grant. (The objections may be factual or legal and must be specific. If you fail to state an objection here, you may be barred from raising it later in your appeal. Use additional pages if necessary.)

The property was brought up to date to code. The Health Dept. failed to answer our Discovery. The Bonilla's are elderly and suffered from Covid. Yet they were continuously harrassed and civil rights were violated. We believe that race issues are involved since Benito is Hispanic. We ask that the violations be rectified in writing and this case dismissed with Prejudice in writing.

By filing this Notice of Appeal with the Allegheny County Health Department, I hereby certify that the information submitted is true and correct to the best of my information and belief.
