Subject: Appeal of \$10,000.00.

For 720 North St Clair 2  
15206.

Dear Director, this is to let you know that I am appealing the fine.

Sorry we have to come to this, like you know we did everything to get the job done on time.

But we were unsuccessful because the tenant were giving hard time. I went there many time for the inspector to call them by himself. The last inspection also they stop us. That why I have to go to the court again. Before the court I stopped and

talk to the Director and talk to the inspector also after the court, we agreed to let him know after the court.

I stopped down there after the court but the inspector wasn't there to let him know.

They promised the Judge that they will be paying soon.

That why I stopped yesterday to talk to the  
inspector for him to schedule another inspection  
Because there are only two door jam left  
need to be touch paint.

So we did everything to get the job done  
on time but the tenant wouldn't let us do it.

We hope you understand our position if the  
tenant don't want to cooperate it's not easy and  
they were doing all this while not paying  
the rent you know

Yours,

A. Lee 16. 20. 22
