

## Visual Step-By-Step Guide: Activating Your Home Test Kit

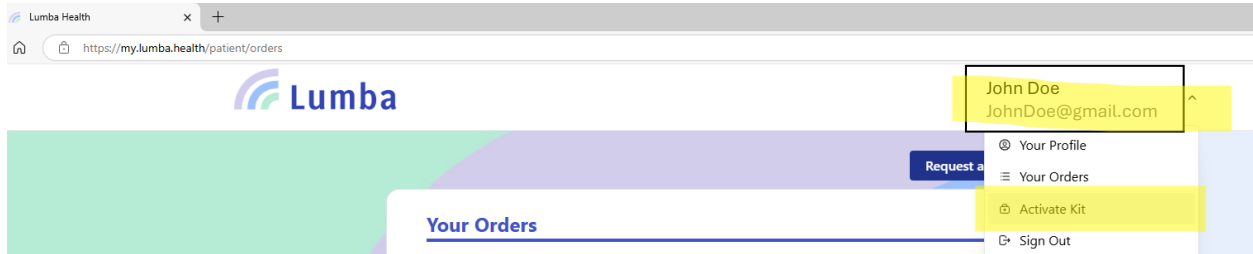

1. Visit <https://my.lumba.health/>.
2. Click “Activate Kit” button.

3. Create Lumba account or sign in if you already have an account.

4. Once logged in, click the top right menu and select “Activate Kit”.

5. Complete health assessment. There will be a few personal questions.

A screenshot of a 'Kit Selection' form. The title 'Kit Selection' is underlined in blue. Below it, the text reads: 'Please choose the kit that corresponds to your order. The name should match the title on your kit box.' There is a single selection option: '✓ Sexual Wellness Test' inside a rounded rectangle. At the bottom right of the form is a dark blue 'Next' button.A screenshot of a 'Health Assessment' form. The title 'Health Assessment' is underlined in blue. The text on the page reads: 'Smart move getting tested because sexually transmitted infections often don't have any symptoms. They're all treatable or manageable, and the sooner you know your status, the better. It's one of the best ways to take control of your health.' followed by 'Allegheny County Public Health and Lumba Health are partnering to offer STI testing in the comfort of your own home.' and 'Please complete the following health assessment so we can get the right kit to you!'. At the bottom, it says: 'If you have trouble completing this form or would like additional information, please contact us by calling 855-586-2210 or email [support@lumba.health](mailto:support@lumba.health).' At the bottom of the form are two dark blue buttons: 'Back' on the left and 'Next' on the right.

6. While completing the health assessment, you will be asked if you already have a kit. If you have a kit in hand, be sure to say “Yes”.

The screenshot shows a web form titled "Health Assessment" in a yellow header. Below the title is a question "Do you already have a kit? \*" with two radio button options: "Yes" and "No". At the bottom of the form are two blue buttons: "Back" on the left and "Next" on the right.

7. Once your health assessment is complete, you may start specimen collection.

The screenshot displays a dashboard with a table at the top and a list of steps below. The table has two columns: "Status" and "Test Ordered".

Status	Approved
Test Ordered	Sexual Wellness Test
Requester	ACHD
Time Requested	2025-06-09 08:50:48
Performer	Neelyx Labs

Below the table, there are three steps, each with a checkbox, a title, a description, an update date, and a status:

- ☒ **Health Assessment**  
Fill out the health assessment questionnaire to complete the kit registration process.  
Updated on 06-09-2025  
Status: **COMPLETED** [View Response](#)
- ☐ **Specimen Collection (Swab)**  
Follow the instructions in the test kit to collect your specimen.  
Updated on 06-09-2025  
Status: **IN-PROGRESS** [Start](#)
- ☐ **Specimen Received**  
The lab has your specimen and is working to get you results as soon as we can.  
Status: **FUTURE**
- ☐ **Specimen Processing**  
Your results are nearly ready. Look forward to receiving them soon.  
Status: **FUTURE**
- ☐ **Results Ready**  
Your report is ready and available to be viewed!  
Status: **FUTURE**

8. When you start specimen collection, you will be prompted to enter the QR code information from the specimen tube (swab, blood, etc.).

The screenshot shows the "Lumba" logo at the top left. The main form is titled "Collect Specimen" in a blue header. Below the title is an illustration of a specimen tube with a red cap and a label that reads "Vaginal/ Penile Swab". Below the illustration is a yellow box with the text "Enter QR / letter code manually below. \*". At the bottom right of the form is a blue button labeled "Finish".

9. Be sure to complete the patient information card from the kit and mail the completed card in the envelope included with your kit.

**Please return this card with your test kit!**
