MEDICAL EXAMINER

COUNTY OF ALLEGHENY

OFFICE OF THE MEDICAL EXAMINER

SARA INNAMORATO
COUNTY EXECUTIVE

MANDY TINKEY
LABORATORY DIRECTOR

January 12, 2024

The Pennsylvania Justice Network Pre-Log system is still offline. During this outage, the Allegheny County Office of the Medical Examiner Forensic Laboratory Division continues to accept manual evidence submissions. In place of the prelog submission form, each Law Enforcement Agency must fully complete the appropriate submission request form(s) for each case and bring those with the evidence at the time of submission. The ACOME Evidence Receiving team must manually transfer all of the information into the ACOME Laboratory Information Management System.

This will cause the evidence intake process to be more time consuming. We ask for your patience during the submission process. If your agency has a large volume of evidence to submit, please contact the Evidence Receiving team to schedule a time for evidence submission. This will help reduce the wait time for evidence submission.

ACOME does not have control over the timeline to reinstate the use of the Pre-log process. We thank you in advance for your patience and understanding.

If you have questions on the Evidence Submission process, please reach out to our Evidence Receiving section at 412-350-3734.

The Laboratory Submission Manual and Submission Forms can be found on our website at:

[Laboratory Forms and Customer Notices - Allegheny County, PA](#)

Also, as a reminder if reports are requested, ACOME utilizes an online Official Information Request portal and those requests can be made at that site:

[Official Request for Information - Allegheny County, PA](#)
