

Snow Sports School Instructor

Job Summary

Under the supervision of the Facility Manager, this position is responsible for a variety of duties encompassed in the day-to-day operation of a recreation facility. Duties will include instructing skiers and snowboarders of all ages and abilities how to improve their ski/board skills while providing a fun and effective learning environment.

Explanatory Comments

The work activities of this position include instructing groups and/or individuals in a lesson format, teaching proper techniques appropriate to the ability level of those being instructed and promoting safety and giving students the knowledge to remain safe when they leave lessons to ski/board on their own.

The Ski & Tube Area operates mid-December until mid-March and requires employees to work evenings, weekends, and holidays.

Training and Experience Required

This position requires the ability to ski safely and confidently in all ski conditions and in varying types of terrain, along with strong public relations skills with an outgoing personality and patience to teach skiers and snowboarders.

Duties

- Instruct skiers and snowboarders of all ability levels in an individual or group lesson.
- Enforce rules and regulations at facility.
- Perform related duties as assigned by supervisor.

It is the policy of Allegheny County that in order to receive a final offer of employment, candidates must successfully pass a background check, which includes verification of Allegheny County Real Estate Tax status, and drug/medical examinations as required for the position.

Wages

\$15 / hour based on experience
