

Snow Tubing Attendant

Job Summary

Under the supervision of the Facility Manager, this position is responsible for the sending of snow tubers down the tubing lanes and clearing lanes when they reach the bottom of the hill while ensuring safety and tubing rules are being followed. Occasionally this position will perform other duties, including general maintenance of the ski slope facility.

Explanatory Comments

The work activities in this position are mainly concerned with the safety of snow tubers. This position entails physical activity and being able to work in inclement weather.

The Ski & Tube Area operates mid-December until mid-March and requires employees to work evenings, weekends, and holidays.

Training and Experience Required

This position requires a high school education or its equivalent. An interest or background in skiing is also helpful.

Duties

- Start and clear snowtubing lanes
- Enforce area rules and safety regulations
- Provide general maintenance of the ski slope facilities
- Assist the manager and assistant manager of the ski slopes in daily operations

It is the policy of Allegheny County that in order to receive a final offer of employment, candidates must successfully pass a background check, which includes verification of Allegheny County Real Estate Tax status, and drug/medical examinations as required for the position.

Wages

\$15 / hour
