Request for Qualifications Q&A
RFQ for Forensic Psychological and/or Psychiatric Evaluators

February 16, 2023

1. I am an experienced Forensic Evaluator and have moved to PA from NH and I am starting up my Forensic Practice....one of the sections in the RFQ notes that I should understand how the evaluations are compensated by the DHS....how does this work?....In NH I billed DHS/children and family services and they paid me a set amount for Competency Evaluations – of which I did hundreds...how does billing and compensation work in PA?

Evaluations are compensated by a per evaluation rate and per assessment rate. All billing for service of Forensic Evaluation is completed through our Key Information and Demographics System (KIDS) on a monthly basis. The Evaluator, if selected, will be provided training on how to complete billing within the system. We also offer an Office of Children, Youth and Families (CYF) onboarding training to assist contracted Evaluators in understanding CYF and our systems.

2. What is the rate and amount of hours allowed for a Juvenile competency evaluation for the Courts.....or a Transfer certification evals to adult court?

Compensation is distributed at a per Evaluation rate to be negotiated with Allegheny County (within a pre-set range) regardless of the time it takes to complete the evaluation. This rate may include, but is not limited to collateral work, evaluation, assessments, report and documentation within our KIDS system of various steps within this process.

3. I know insurance companies do not pay for any court ordered evals...so do I still need to get on Local MAP - Medicaid if I want to do only Delinquency evaluations?

No. Like Dependency Evaluations, Court Delinquency Evaluations are paid for by the county.
