The County will preselect or short-list five firms for consideration for this Project assignment on the following evaluation criteria: **Experience, Record, Size, Workload, Related Work and Sustainability Profile**. By a Request for Proposal the Department of Public Works will notify the short-listed firms to submit proposals. The County will invite each of these firms to attend a Preproposal Scoping and Presentation Meeting. The County will base final selection of a firm for this assignment on the following evaluation criteria: Oral Presentation/Project Proposal, Organization, Design Ability, Experience, Special Criteria such as community involvement and other sensitive areas of Project development and Sustainability Profile. Up to three shortlisted firms may be selected to enter into contract.

The County's minority business enterprise and women's business enterprise goals for this Project will be 13% of the total price for MBE participation and 2% of the total price for WBE participation. Certification of MBEs and WBEs by the County is mandatory on or before proposal due date.

Firms submitting a Letter of Interest must have their MBE/WBE participants in place and noted in their letter and/or SF 330 form information in order to be considered for this project.

Stephen G. Shanley, PE, Director
Department of Public Works of Allegheny County
