

Kudos: Jessica Szramowski

Jessica Szramowski, caseworker 2 in the Office of Children, Youth, and Families (CYF) Lexington Intake Office, was recognized by an investigating caseworker for her compassionate support of a family.

When a forensic investigation was hastily rescheduled for the next day, Jessica “took it upon herself to order pizza for the family and did a great job supporting mom and each of the kids and their needs. Despite the struggles of the day for all of the providers and the family, the day went really smoothly thanks to Jessica's help.”

The investigating caseworker also commended Jessica for serving as a positive role model for a caseworker-in-training who was assisting during that process.
