

Kudos: Jaquayla Huger

Natalie Jones, regional office director at Office of Children, Youth and Families (CYF) Central Regional Office, received a voicemail commending Jaquayla Huger, caseworker 2. The caller, a staff member at a local hospital, worked with Jaquayla on a case involving a mutual client. The caller said that Jaquayla was “absolutely lovely, professional, well-groomed and communicated well with the client.” The caller continued by stating that Jaquayla’s hard work allowed for a lot to be put in place for the client. “I was very impressed with her,” she concluded.
