

### **Registration open for 2017 Project Prom for Gentlemen**

On April 20, up to 100 young men will gather downtown at the Human Services Building for the sixth annual Project Prom for Gentlemen.

Established in 2012 to prepare young men not just for prom but for life, the event includes a formal dinner, etiquette lessons and instruction on how to tie various necktie knots. Joel Gray, community outreach coordinator for the Pittsburgh Pirates, will serve as keynote speaker, presenting an interactive presentation on Negro League Baseball, its ties to Pittsburgh and its significance to the game of baseball. All Project Prom for Gentlemen participants will receive a voucher for a free tuxedo rental.

To learn more about Project Prom for Gentlemen eligibility requirements, or to register for the event, please visit the [event's website](#).
