September 2021

ACMF has another successful year

The 2021 Allegheny County Music Festival was held on September 5 and was packed with fun for all ages. In addition to performances by headliner The Commonheart and special guests Meeting of Important People, Funky Fly Project and Sierra Sellers, the event included food trucks (Fat Cat's Subs, Le's Oriental, Porky's Bar and Grill, Tambellini's, Tango Food Truck, Yovi's Hot Dogs, and Bruster's Ice Cream); craft beer from Hop Farm Brewing Company; a 50/50 raffle and face painting for the kids.

The Allegheny County Music Festival is an annual benefit concert for the Allegheny County Music Festival Fund, which has benefited over 3,000 children and youth by purchasing life-enriching items and opportunities not otherwise available through traditional government sources. To date, the festival has raised over \$540,000.
