

Thank you for contributing to the Allegheny County Music Festival Fund!

Since 2000, donations from this event have made it possible for more than three thousand children receiving services through the Allegheny County Department of Human Services and Juvenile Probation to enjoy life-enhancing experiences and items just like other kids. Government funds can only pay for so much and this fund fills the gap.

ALLEGHENY COUNTY
MUSIC
FESTIVAL

Your attendance here today
and your donation to the
fund have offered kids

- the opportunity to play sports - through an equipment purchase
- self-confidence and creativity - because of dance or music lessons
- self-control and discipline - with martial arts classes
- health of mind and body - due to a gym or Y membership
- family fun time - because of an annual zoo membership
- a different future - because of paid college-tour expenses
- academic success - with a personal laptop

Donations are welcomed
