

Community Counts

Allegheny County Department of Human Services

January 27, 2026

9:00pm to as late as 2:00am

Every January, communities across the country participate in the U.S. Department of Housing and Urban Development's annual effort to estimate the number of people experiencing homelessness on a single night.

Additional Information

Volunteer Information:

Volunteers will sign up for a chosen hub and report to that location by 9:00 pm on Tuesday, January 27, 2026. Training and supplies will be provided upon arrival.

Volunteer Teams

Anyone over the age of 18 is welcome to sign up. People who want to volunteer together should register for the same hub as soon as possible. Volunteer hubs are filled on a first-come, first-served basis. All volunteers will “check out” with their hub’s leadership before going home.

Cancel a Registration or Change a Volunteer Hub

Please email DHS-CommunityCounts@alleghenycounty.us to cancel a registration or request a change to the selected volunteer hub.

Safety and Security:

The safety of volunteers and of unsheltered people is the number one priority. All volunteers will receive branded materials that identify them as part of the Community Counts project. No one canvasses areas alone.

Additional Questions:

Please contact DHS-CommunityCounts@alleghenycounty.us with any questions or concerns. Please allow for up to 48 hours to respond to emails.
