

## UTILIZING CLIENT VIEW

CLIENT VIEW IS THE IT APPLICATION THAT DISPLAYS INFORMATION ON THE SUPPORTS AND SERVICES DHS CLIENTS HAVE ACCESSED.

### LEARN TO USE CLIENT VIEW

This website is a video reviewing the PDF Training Document for Client View: [Provider Training for Client View](#)

Client View Application link: <https://clientview.alleghenycounty.us>

### HOW TO REQUEST ACCESS TO CLIENT VIEW

**You must have access to HMIS in order to access Client View.** Application login credentials are managed by DHS' [Service Desk](#). When a new user is added their supervisor, or agency designee, must request access on their behalf by completing the ISAR (Information Services Access Request) form for their specific application needs. A new ISAR must be completed immediately when a worker's access needs have changed or when the worker leaves the agency.

**The ISAR (Information Services Access Request) Form can be completed online.** You can use this online form to request a new account, modify an existing account, or close an account. [Online ISAR Site](#)

### IMPORTANT REMINDER:

All of the information in DHS' applications is considered confidential. Access is limited to persons with user identification assigned by Allegheny County. Do not share or distribute your assigned user credentials. Unauthorized access to these applications or unauthorized use of the information contained therein is a violation of County, State, and Federal laws.
