**You must continue to receive treatment from one of the DESIGNATED HEALTH CARE PROVIDERS from the list above for a period of ninety (90) days from the date of your first visit. If one of the DESIGNATED HEALTH CARE PROVIDERS refers you to another licensed specialist, your employer will pay the bill for this service if reasonable, necessary, and causally related to your work injury/illness. If you are faced with a medical emergency, you may secure treatment from the nearest hospital and your employer will pay for the emergency services if reasonable & necessary and causally related to your work injury/illness. If follow-up medical treatment is required following your visit at the hospital, you must use the services of one of the DESIGNATED HEALTH CARE PROVIDERS listed above for that follow-up treatment for the 90-day period.**
