RE: Letter dated 8/21/19
HCE-20190516-3059
White Oaks Apts. Pool

Gentlemen,

We are in receipt of the above noted letter. We wish to advise you that because of your letter, we will close the pool at this address on September 3, 2019.

We also wish to continue our previous APPEAL of the matter in this letter:

Violation 699903: Backflow preventer has been added.

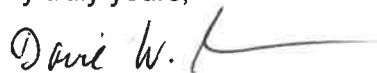

Violation 699906: Violation (a) has been addressed. The remaining are duplicative of the fact that the pool is ONLY open with a lifeguard who has a phone and has control of the first aid kit. As per our previous appeal, we do not believe an AED is required.

Violation 699907: Requirement (a), (b) & (c) have always been at the pool; (e) is addressed above. We do not believe (d) applies as per our previous APPEAL.

Violation 699004: Also addressed above.

We look forward to a hearing on these matters.

Very truly yours,

David W. Steinbach
Property Manager
