NOW, this 5th day of March 2021, the Allegheny County Health Department (hereinafter “ACHD” or “Department”) issues this Enforcement Order after it has found and determined the following:

1. The Director of the ACHD has been delegated authority pursuant to the federal Clean Air Act, 42 U.S.C. Sections 7401 -7671q (hereinafter “CAA”), and the Pennsylvania Air Pollution Control Act, 35 P.S. Sections 4001-4014 (hereinafter “APCA”), and the ACHD is a local health agency organized under the Local Health Administration Law, 19 P.S. §§ 12001-12028, whose powers and duties include the enforcement of laws relating to public health within Allegheny County including, but not limited to, the ACHD’s Rules and Regulations, Article XXI, Air Pollution Control (Allegheny County Code of Ordinances Chapter 505, 507, and 535) (hereinafter “Article XXI”).

2. The ACHD, through its powers under Article XXI, maintains the authority to regulate all asbestos abatement activity within the boundaries of Allegheny County. Article XXI also incorporates the federal asbestos abatement regulations regarding asbestos abatement activity in Allegheny County. Article XXI § 2105.62.b.
3. The City of McKeesport is the owner of the properties: 1012 Evans Ave., 2912 Grandview Ave., 2509 Harrison St., and 1006 Evans Ave. which are all located in McKeesport, PA.

4. Prism Response, LLC (hereinafter “Prism Response”) is a Pennsylvania limited liability corporation with a registered business address of 102 Technology Lane, Export, PA 15632. Prism Response is an ACHD Licensed Asbestos Abatement Contractor (License number: ACAL21941).

5. On June 15, 2020, Prism Response was issued a permit (Permit: PAA20-4296) by the ACHD to provide asbestos abatement supervision of the asbestos containing material (ACM) in place demolition of a residential structure located at 2509 Harrison St. This permit expired June 28, 2020.

6. On July 20, 2020, Prism Response was issued permits (Permit: PAA20-4358, PAA20-4363, PAA20-4364) by the ACHD to provide asbestos abatement supervision of the ACM in place demolition of residential structures located at 2912 Grandview Ave. (rear), 1012 Evans Ave., and 1006 Evans Ave., respectively. These permits expired August 28, 2020.

7. On January 22 and January 28, 2021, an ACHD Representative inspected 1012 Evans Ave., 2912 Grandview Ave., 2509 Harrison St., and 1006 Evans Ave. to confirm the residential demolitions had been completed. No building materials were observed at any lot which were flattened to a level grade.

8. An ACHD Representative reached out to William Fraser, listed Project Manager on the permits, on February 2nd and February 16th to inquire about the air clearance results. Mr. Fraser reported he would send the paperwork to the ACHD.
9. The ACHD has no record of final clearance inspection requests or final clearance air monitoring results for 1012 Evans Ave., 2912 Grandview Ave., 2509 Harrison St., and 1006 Evans Ave. as of March 2, 2021.

10. The ACHD asbestos regulations require that the Department has accepted the results of a final clearance inspection before the work area can be opened to the public. Article XXI § 2105.63.

11. The ACHD regulations further provide that final clearance inspections shall be requested by either the licensed asbestos abatement contractor or the air monitoring or sampling firm for the project and scheduled in advance with the Department. Article XXI § 2105.63.k.

12. The ACHD has determined that Prism Response is in violation of Article XXI, § 2105.63.k, by failing to request a final clearance inspection and opening the work area up to the public prior to the Department accepting the results of said final clearance inspection.
